

Annual Ski Swap* at the Telemark Lodge Sunday, October 28

This is an excellent opportunity to buy (or sell) new and used cross country skiing equipment, and this is the last chance to purchase your Telemark 2012/2013 season pass at the early season discount.

Outstanding bargains on new and demo equipment from Fresh Air Experience and Kelowna Cycle. Telemark's Head Coach Adam Elliot will be on hand to assist you with selecting equipment and answering questions about cross country skiing and the race team.

10:00-10:00 AM - Set Up - Drop off your used gear for sale (skis, poles, boots, snowshoes, accessories)
12:00-2:00 PM - Sale Starts - Purchase gear

Several athletes from the ski team will also be in attendance. If your child has been thinking about joining the team, this is a great opportunity to ask questions and learn more.

Bring your appetite - there will be a food concession.
